As indicated in the Subscriber "Agreement for Receipt of Consolidated Network A Data and NYSE Market Data" to which this Addendum is attached, the undersigned Subscriber has requested the receipt of Network A market data. Subscriber has also requested that a third party (the undersigned "Payor") be permitted by the New York Stock Exchange, Inc. ("NYSE") to assume full responsibility for payment of the applicable charges for Subscriber's receipt of the Network A market data as detailed:

In consideration for the NYSE's approval of this "third party payment" arrangement, the undersigned parties agree as follows:

3. Payor for its part agrees to assume full responsibility for payment of the applicable market data charges, Subscriber hereby acknowledging such assumption by Payor. Payor further agrees to provide 60-days prior written notice to the NYSE in the event this "third party payment" arrangement between Subscriber and Payor is terminated. Payor acknowledges its continuing responsibility for payment of all market data charges incurred and unpaid on the date such termination notice is received by the NYSE.

In the event the NYSE is notified by Payor of the termination of the "third party payment" arrangement, the NYSE will in turn notify the Subscriber that unless the NYSE is promptly notified to discontinue the market data service to Subscriber, such service will be continued to Subscriber, with Subscriber thereafter being fully responsible for payment of all applicable charges.
5. Absent notice of termination of the "third party payment" arrangement, in the event Payor simply fails to pay any applicable charge due and outstanding, the NYSE will notify both the Payor and Subscriber that it will discontinue market data service to Subscriber unless Payor promptly remits full payment of such outstanding amount to the NYSE.
